Dear Mr. Douglass:

Re: Granite/Red Cedar Crk  
Account 69-2

Here is a copy of the bill submitted from the commissioner for expenses he has incurred up through June 30, 1993. Because there are reserves in the Trust Fund, we feel an assessment of \$75.00 would be adequate.

We will pay Cecil as soon as we receive your check.

Sincerely,

Lee H. Sim, P.E.  
Assistant State Engineer  
for Distribution/Adjudication
